DETAILED ACTION

1. Claims 1, 6, 10, 16-20, 23-26, 28-30, 43-45, 47-49, 53 and 57 are pending in this application.

Response to Amendment

2. Applicant's amendment filed 10/16/2006 in response to the previous Office Action (06/09/2006) is acknowledged. Rejections of claims 1, 6, 10, 16-20, 23-26, 28-30, 43-45, 47-49 and 53 under 35 U.S.C. § 112, second paragraph (items 5a-5d) has been obviated. Even though applicants overcome the second paragraph rejection by amending the claims, the amendment raises new issue that needs further rejection.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1, 6, 43-45, 47-49 and 53 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 1, the phrase "each optionally substituted by R" is not clear. It is been recited in claim 1 a variable R, but there is no definition for said variable. What is the definition of variable R? What is covered and what is not? Note that there is definition for variable R in claim 10, but not in claim 1.

Objection

4. Claims 10, 16-20, 23-26 and 28-30 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
